A full week has passed and we are all so pleased with the way that the children have settled. I have had lovely conversations with so many of them, telling me what they love about our school.

On Wednesday, the whole school volunteered their help in moving the sand up to the sandpit. All the adults were so impressed the team work, ingenuity and enthusiasm on display. But what did they learn? In their words…

"Teamwork" "More people meant sharing the weight" "Using wheels helped pull heavier loads" "Wet sand is heavier than dry" "More hands made it easier" " We used lots of muscles and worked up an appetite!" They have definitely earned their supersized sandpit and lots of house points! Even better news was the unexpected arrival of Luke Steward, Isabelle and Freddie's dad who moved the remaining bags up to the sandpit. We have some very happy, very sandy children! Any donations of unwanted buckets and spades, rakes, sieves and sand toys would be hugely appreciated.

Information sessions for Reception and Year 1 will be coming up in the next few weeks. This offers parents the chance to learn about how the children are learning at school. These sessions will be run in the hall at 2:45. Just come to the office and Mrs. Cotton will let you through.

Have a good week,
Jen Carlyle
