This week was the start of our Reception 2026 show around! I really enjoy meeting possible new families and am always so proud to show them around our lovely school. As I go into each class, children are always keen to tell visitors what makes our school special and it inevitably makes me smile! I know that next year, we have a number of siblings due to start. Please let me know if they (and you!) would like to organise a visit too.

We have a few events lined up for the final fortnight of the half term. As with all our 'non uniform' days, please don't feel that you have to buy new costumes/clothes. We are very relaxed about these things. I'm aware that Halloween is particularly pressured for costumes and so have organised a 'swap shop' (I'm that old!) for costumes. Please bring in any old and unwanted costumes on Monday. I will set up a stall at lunchtime for children who want to choose costumes. They will bring them home on Monday afternoon.

As well as Halloween, we are also taking part in a special event for Christmas, raising money for Save the Children. As part of this, we will be doing the filming for a video of children across Norfolk and Suffolk schools wearing a Christmas jumper. The children will be learning a Christmas jumper song and their audio will be added to that of many children taking part across the counties. It will be available on Spotify in December. Please could children bring in named Christmas jumpers for 20/10/25 when I hope to do the filming.

Have a lovely week,
Jen Carlyle
