What a change in temperature! Thankfully- unlike this time last year- the heating is working well and we are all keeping warm. Please remember to send in suitable clothing for outside play.

Mrs. Exton, Claire and Miss Fielder braved the cold on Tuesday to take Caribou class to Thomas Mills High School for a Tag Rugby tournament. Mrs. Exton was really impressed by the fantastic attitude on display and would like to congratulate all the players on their determination and resilience. Well done, Earl Soham!

On Tuesday, the house groups discussed snows and ice rules. They agreed that following common sense rules around icy, cold and snowy conditions would help keep them all comfortable and safe. Each house group agreed that walking not running on ice was really important. They talked about the need for layers and waterproofs to keep warm at playtimes and lunchtimes. What wise children we have!

We would like to take a group of children (and their parents) carol singing in the village this year. My plan is to keep the children who would like to take part at school at the end of the day, feed them something snacky and then, once accompanying parents have arrived, take them along the village, stopping to sing at different points. I will send a letter home for permission and with further details next week.

Have a good week.  
Jen Carlyle
