Another week over already! There has been a lovely feel to the school this week- lots of enthusiasm and a busy hum of work.

We have had lots of excitement in Caribou class with the rapidly approaching trip to the O2 to take part in the Young Voices concert. We do this trip every two years as it is an amazing opportunity for children to experience singing with 9000 others. Caribou class are ready: they know the songs, the dance moves and are looking forward to a good night! I will be out with the children on Monday. In my absence, any urgent issues should be directed to Mrs. Stoney as Senior Teacher.

The Nest – the new ELSA hub- was successfully installed last week. The electrics will be completed next week and we will officially 'open' the week after. Mrs. Lock is having a lovely time sourcing displays and furniture for The Nest. Our next challenge will be establishing an all weather path as it is slightly swampy around the grounds.

As a number of children found out this week, the mud is currently winning the battle. Please, please can children- particularly those that regularly mud surf- bring a separate mud kit for lunchtime. That way they can enjoy playing outside but are less uncomfortable when they get in.

Please take care in the car park- even 4x4s have got stuck in the spaces along the side. Avoid until it's drier!

Have a good week.
