What a week!

On Monday, Miss Clements, Mrs Hall, Claire and I took Caribou class to the O2 to take part in the amazing Young Voices concert. The children sang with almost 9,000 other children and filled the stadium with sound. It was amazing! We had some very heavy-eyed children in on Tuesday but all of them were glowing in their enthusiasm for the experience. They loved the light shows, the dancers and their synchronicity and the feeling of singing as a huge choir. We will be showing the official film of the concert to the whole school next week!

As per my email earlier in the week, on Wednesday the whole school took part in a lockdown drill. It is an unfortunate part of today's world that we have to be prepared for worrying events but the children took our story of hungry, cold squirrels hoping to break into the school and responded really well. With the older children, there has been further discussion about why we might need to lockdown the school. All UK schools are expected to have prepared in this way and so we will build this drill into the termly calendar as we do our fire drills.

I've been having a lovely time starting to plan our Arts Week. Our annual celebration of the Arts is in the week before the May half term and is always a highlight! This year, we have decided to have a week based on the theme Express Yourself. So far, I have booked a variety of workshops which will offer the children new experiences and opportunities. I'll say no more but I'm already excited!

Have a good week. Jen Carlyle
