Attendance 97.2%

I can't believe that half term is on our calendar already- the weeks seem to be flying by.

On Tuesday, we had the Framlingham Medieval Basketball coach come into school to run sessions for Year 3-6. It was a high energy workshop and the children really enjoyed themselves. Mrs. Exton really enjoyed the session and hopes to recreate the game with the children over the next few weeks. Coach V sent a really lovely email, praising the children for their enthusiasm, manners and sportsmanship. Leaflets have been sent home for more detail about the club.

I have had a very happy Mrs. Lock in school this week. The Nest is up and running and has been used for a variety of children over the course of the week. I have attached some photos.

Our newest purchase- a pressure washer- was put into use this week! Our muddy playground has become slightly less muddy! With it, I also ordered 10 yard brooms for the children to use at breaktime and lunchtime! You would be amazed at how keen they were to grab a broom and start brushing! I highly recommend as a fun activity for your children!

I had a message from a concerned parent about parking in the car park this week. She sent a photo of some very inconsiderate parking where everyone was blocked in. If the car park is full, I suggest parking further along the road. Please do not block the entrance or main routes around the car park.

Have a good week.  
Jen Carlyle

### Diary Dates

02/02/26	Football Club KS2 DT Club Reception- Y4 Art Club
03/02/26	After school club Choir Club
04/02/26	After school club
