

Earl Soham Community Primary School

And just like that, the half term ends! It has been a really busy one with trips to London, sporting experiences, exciting visitors and lots of learning.

On Tuesday morning, we welcomed Hannah Farthing into the school. Hannah is a children's author and illustrator based in Suffolk. Her beautiful new book, The Bird That was Afraid to Fly is available in all good bookshops. The children really enjoyed the chance to hear the author read it in person. On Tuesday afternoon, we welcomed our annual visit from the Tractors in School team. The younger children loved the chance to climb aboard a really big tractor whilst the older ones enjoyed asking questions about agriculture linked to their Sow and Grow topic for the term.

I was very happy to receive an attendance award on behalf to the school this week. For the second year in a row, our attendance was in the top 10% of schools across the country. Well done us!
