I'm saying it quietly but Spring might finally be making an appearance. Staff and children are slightly giddy with the excitement of it all. Rumour has it that some thermal layers belonging to certain members of staff may have been left at home this week! The guinea pigs are thoroughly enjoying the warmth and new grass and the chickens will return next week. Fingers crossed, it continues!

We were very pleased to welcome the children back to school and started with a lovely singing assembly to start the week. I rolled out the ever-popular Spring Chicken for its first appearance of the year and apologise for the earworm that your children will be bringing home!

A reminder that **World Book Day is on Thursday**. Come as your favourite book character in exchange for a £1 donation to our new book fund.

Mothers' Day Celebration assembly is just around the corner. This year, the children have had some lovely ideas about how to celebrate you! It's a lovely event and we hope you can come.

Have a good week.
