It's been a very exciting and busy week in school with all sorts happening.

On Tuesday, we were introduced to the Great Athlete initiative ready for a school visit from para-Olympic athlete, Sean Rose. The Great Athlete enterprise aims to bring athletes into primary schools to inspire children to be more active and pursue their goals.

On Tuesday afternoon, we were lucky enough to welcome our favourite author for her third visit to the school. Kate Rolfe is an award-winning writer and illustrator and her third book, Owl and Moon, is beautiful. The children were so pleased to see her and hear about the latest book.

On Wednesday morning, the school rocked! Rocksteady came in to deliver an assembly- introducing a range of band instruments- and a workshop, creating a new band. It was interactive, full of energy and great fun. Most slots have now been filled for the band places but there are a few spots left. We were given a number of free spots which we have allocated on a names out of the hat basis. Further free spaces will be allocated for September.

I have spent a very happy week hearing about just how lovely you all are. We have created a beautiful Mothers' Day film where the children talked about what they loved about you. This will be shared in Celebration Assembly today and I will put it onto Dojo for anyone who was not able to attend. The children will also bring home a little gift from us all.

Have a lovely Mothers' Day and a good week.

Jen Carlyle
