

Earl Soham Community Primary School Newsletter Summer 5

Attendance **96.5%** National 94.8%

The end of an important week for our Year 6 students. We'd like to congratulate and thank them for their hard work, great attitude and positivity during their SATs week. The congratulatory ice-cream went down very well and they are looking forward to enjoying their final weeks at primary school!

Next week is Arts Week. We have lots of exciting visitors booked as well as some beautiful art works to create. As is traditional, the hall will be opened up on Friday afternoon for parents, the community and extended family to have a look at what we have done. Tea and cakes will be available to purchase from the PTFA. This year, we are creating a video of the different activities to share with you in the hall. To prepare for the event, Mrs. Stoney organised a painting party for the staff earlier in the week and the hall now looks very smart! As the children will be busy doing activities all week, they can come in old and comfortable clothes and trainers suitable for the dance activities every day.

After a read through this morning, Miss Clements will send the scripts home for Year 5 and 6 for the KS2 production tonight. Auditions will be next week. Grossbusters looks like it will be very popular!

Please note the cricket day on the first day back after half term- send children in PE kits please.
Have a lovely week,
Jen Carlyle
